

Dr. William R. Newman

“Best workshop I've attended.”

Pat Collins, HR Director, Eaton Corp.

Bill Newman is an expert in leadership, performance and sales who speaks professionally. His customized keynote speeches, programs and business presentations will inform, entertain and inspire you.

*“...great program and speaker
...thought provoking and applicable.”*
George Gikas, Senior Manager, Babco-Textron

“Excellent, informative and interesting.”
Robert Sharp, CEO, Keystone Provident Life

Each presentation is individually designed to reinforce the objectives of your meeting, to address the specific challenges and concerns of the audience, and to have practical “take-away” value.

“Outstanding program...since incorporating Bill Newman's teachings into my everyday life, I have received several major Executive promotions. It is my sincere belief that every Executive in ‘Corporate America’ could significantly benefit from at least one of Dr. Newman's presentations.”

John M. Lawrence, CEO, Tournament Solutions
